**Fast hand drying.  
Maximum hygiene.  
Stylish design.**

# The hand dryer that can do it all

Extremely robust, uncompromisingly hygienic and accessible to everyone: This hand dryer is made for places where things really get busy – and is just as impressive in everyday environments. Whether school, office or restaurant: Its vandal-proof design withstands any stress, the touchless technology ensures cleanliness and safety, and the barrier-free construction offers maximum comfort to all users. A device that reliably keeps up everywhere when many hands are involved.

## VANDAL-PROOF

Robust aluminum housing with ABS plastic cover - also withstands intensive use.

## ACCESSIBLE

The front opening is ideal for children and people with physical disabilities.

## HYGIENIC

Antibacterial copper filters, demonstrably protect against the accumulation and spread of Bacteria and microorganisms.

Model: XT 4000  
Article no.: 103716 | white  
103778 | silver

### Features/Scope of delivery:
